Judy,

For the record, please be advised that Frenz Petroleum (CID #5468-00-000 will be participating in our July Salem Tear Tape promotion. They were removed from the stubs last month and I have since put them back on. When reviewing their suppliers, I found that two accounts are serviced by Tripifoods (#649920).

I modified my templates for the direct account in my region, and am asking that if possible, you to do the same for Tripifoods for these two stores. If too late, OH WELL!!!

Call if you need to discuss or require additional information.
